

3rd ICRE - 2026

International Conference on Renewable Energy

Jaipur, India

March 17 – 18, 2026 (Hybrid Mode)

Organized by

CENTRE FOR NON-CONVENTIONAL ENERGY RESOURCES (CNCER)

In Association with

DEPARTMENT OF PHYSICS

University of Rajasthan Jaipur, India

We are pleased to announce that the 3rd International Conference (hybrid mode) on Renewable Energy (ICRE) will be held on March 17-18, 2026 at CNCER in association with Department of Physics, University of Rajasthan. The goal of this event is to provide a common platform for researchers from all over the world to present their cutting-edge findings in the field of renewable energy. This virtual conference is also an online platform for creating collaborative links between researchers, scientists, academicians, and industrialists to share knowledge and host discussions of highly relevant issues of the energy.
